Mr. N. Ramanathan

Accomplished executive Ram recognized the power of TQM while working as Chief Executive of SRF Nippon Denso, India. He assimilated, adapted and experimented its application in Indian environment. Later he honed this learning and applied in various SRF Group companies with great effect across their operations in various countries resulting in excellent growth of the company. Two of the Group companies won the prestigious Deming Prize

Mr. N. Ramanathan

After fulfilling his duties as an Executive from played the role of teacher, counselor and a mentor to help many organizations to build capabilities with focus on customer and quality. In the process Ram has evolved his unique model of TQM named as Quality Based Management (QBM) that seems to have greater appeal to the top management of Indian companies. Through this approach Ram has helped many companies to challenge and win the Deming Prize.
