

# TOPS CONVENTION

## INDIAN SOCIETY FOR QUALITY

ISQ is happy to announce a one-day contest on Team Oriented Problem Solving/ improvement case studies/ projects for supervisors/ executives from OEMs, tier 1 and 2 manufacturing companies, process industry and service sector organisations.

### OBJECTIVES:

To promote scientific approach towards problem solving with teamwork, customer centric approach and technical and soft skills capability enhancement by sharing/ learning through some the best case studies from organisations of repute.

**DATE: JUNE 07' 2019**

**VENUE : Hotel Plazzio, Sector 29, Gurugram, Haryana**

### ABOUT US :

ISQ is a non-profit organisation formed by the Quality professionals of India supported by some well-known Industries with a mission to promote and spread the message on Quality across India for prosperity of every individual. It is also a founder member of Asian Network for Quality.

(For more details please visit : [www.isqnet.org](http://www.isqnet.org) ).

ISQ has been conducting programmes like conferences, training, symposiums.

We completed our 15th Annual Conference at New Delhi on 14-15, December'2018 successfully.

16th Annual Conference will be scheduled on 12-13 DECEMBER'2019 at PUNE.

The society also represents India in the larger Asian Network for Quality (ANQ), a forum of not for profit organisation of Asian Countries which comprises of 17-member countries. ISQ members have been participating in the conference/seminars being organized under the aegis of ANQ and share their knowledge experience with quality professionals at International forum.

Please visit [www.anforq.org](http://www.anforq.org) for further details.

17th ANQ Congress is scheduled on October 21-24'2019 at Bangkok, Thailand.

### WHO CAN PARTICIPATE?

The competition is open to supervisors/ executives and above from OEMs, tier 1 & 2 companies, process and service organisations applicable to diverse areas of problem solving and it is methodology agnostic. Some suggested area for the Case Studies are New Product Development, Six Sigma, Customer Concern Resolution, Industry 4.0, DOE, CSI, 8D methodology, Life Cycle Assessment and TRIZ Methodology.
